Terms & Conditions

The Friends club benefits general:

Friends club benefits are meant as a promotional enticement and as a 'thank you' for support; they are not in anyway intended to be contractual on either side and as such may be withdrawn by management without notice at any time. However if management intend to withdraw the overall programme 30 days notice would be given to all members.

The discount is given off total food expenditure on a single bill and for a single table only. In other words it is not intended that a member could extend his discount to other tables of acquaintances dining at the same time.

The card and holder must be present in order to obtain any discounts

The card discount may not be used with other promotional menus or offers.

5% off weekday lunchtime menu prices.
